

Athens, 29.04.2021

ANNOUNCEMENT

The company under the trade name "ELVALHALCOR HELLENIC COPPER AND ALUMINIUM INDUSTRY S.A." (hereinafter referred to as the "Issuer") announces to the investors, pursuant to Law 3556/2007, as in force, the Decision 1/434/3.7.2007 and the Circular 33 of the Hellenic Capital Market Commission, the ATHEX Rule Book and following the notification received on 29/4/2021 by the Belgian company under the trade name Viohalco S.A. (hereinafter referred to as "Viohalco"), that, due to sale and transfer, which was carried out on 29/4/2021, by Viohalco of 25,000,000 dematerialized registered shares with voting rights of the Issuer, i.e. percentage 6.66% of total 375,241,586 dematerialized registered shares with voting rights, which the Issuers capital is comprised of, the direct voting rights of Viohalco on the Issuers shares, on 29/4/2021, amounted to 318,111,475, i.e. percentage 84.78% of total 375,241,586 voting rights, versus 343,111,475 voting rights, i.e. percentage 91.44%, of total 375,241,586 voting rights of the Issuer which Viohalco held as per the last notification received by the Issuer, on 5/12/2017 ([link](#)).

Further, the Issuer announces that on 29/4/2021, they received a notification from Viohalco, pursuant to Article 19 of Regulation (EU) 596/2014 of the European Parliament and of the Council of 16 April 2014 ("Regulation 596/2014") indicating that Viohalco carried out a sale and transfer of 25,000,000 of the Issuer's shares via private placement amounting to EUR 50,000,000. Viohalco constitutes within the meaning of article 3 § 1 (26) of Regulation 596/2014 a legal person closely associated with a person discharging managerial responsibilities within the Issuer, in particular Mr. Elias Stasinopoulos, non-executive member of the Board of directors of the Issuer.

About ElvalHalcor

ElvalHalcor is a leading global industrial producer of aluminium and copper products. The Company was formed in December 2017 via the merger of ELVAL and HALCOR. ElvalHalcor currently holds a leading position in Europe in the copper tubes sector, while also having established its leading position within the global aluminum rolling industry. The Company has over 80 years of experience and know-how, a strong production base across 17 state-of-the-art production plants and a market presence in over 100 countries. ElvalHalcor offers sustainable solutions and products in dynamically developing markets such as packaging, transportation, building and construction, heating, cooling and air conditioning and RES. ElvalHalcor's growth focuses on investing in technology and sustainable development, thereby creating value for its stakeholders.
